

Company: Standard Renewable Energy

Location: Littleton and/or Denver area

Base Pay: \$10 per hour, plus commission

Type: Every Saturday, plus peak weekly hours

Industry: Sales - Marketing

Job Description

Standard Renewable Energy (SRE) is the nation's largest Distributed Energy Services Company (DESCO) and leading provider of energy efficiency and renewable energy solutions for homes and businesses.

We are seeking enthusiastic, self-motivated, well-spoken individuals to work within the Littleton, Fort Collins, and Denver communities. The Energy Efficiency Advisor "EEA" will be responsible for working in our retail outlet locations when the store traffic is at the highest. This could include evenings and weekends. The EEA may also be asked to canvas neighborhood communities surrounding our retail partner locations

The EEA will be responsible for learning SRE's products and services to educate the consumers by attending workshops, and informative meetings. The EEA will then use this information to obtain potential clients. The EEA will submit all potential client information to SRE in a timely and efficient manner.

Job Requirements

- * Excellent interpersonal and communication skills.
- * Must be reliable and professional.
- * Must be at least 18 years of age.
- * Ability to work Monday-Friday during retail peak hours and Saturdays as needed
- * Must submit to pre-employment drug screening

Salary/Wage: \$10.00 per hour, plus commission

Status: Part-time

Shift: Days and Weekends

- Location: Littleton, Fort Collins or Denver
